

PROBATE STANDING ORDER 1

For purposes of investigation and future contact, all proposed non-governmental guardians of persons with disabilities or minors shall, at the time of filing the Petition, provide the relevant "Guardian Information Sheet" (for either Adults with Disabilities, CC-102 V1, or Minors, CC-101 V2). Because the form contains personally identifiable information, the Guardian Information Sheet shall be filed under seal with the Winnebago County Circuit Clerk. Access to the Guardian Information Sheet shall be limited to the Court and to the *Guardian Ad Litem* (G.A.L.), unless otherwise directed by court order. Those forms, and other probate/guardianship forms and orders, may be found at <http://www.cc.co.winnebago.il.us/court-forms-winnebagocounty/>.

If there are multiple (co-) proposed guardians, each proposed guardian shall tender a Guardian Information Sheet for filing under seal.

No Letters of Office shall issue to any non-governmental guardian until the Guardian Information Sheet has been submitted.

Petitioners are requested to have appropriate orders with the requested relief prepared in advance of their court date for presentment at hearing, if practicable, along with any copies of those orders that may need to be file stamped by the court clerk.
